

# A&A TRADING LTD.

## Administrative Engineer

A&A Trading Ltd is currently seeking a self motivated and organized individual to fill the role of Administrative Engineer based out of Campbell River. You will be immersed in the implementation of the long term planning and development of the forest tenures we manage. While there will be occasional camp work required, the main focus of this role is to be the driving force behind the preparation of the permit approval packages required to efficiently execute our planned logging and road building activities. If you are driven to see, learn and participate in all aspects of forestry management and operations then A&A is where you want to expand your career.

### QUALIFICATIONS:

- Leadership capacity in safety and environmental stewardship.
- Minimum of 5 years of coastal forestry layout, mapping and permitting experience.
- Self motivated individual possessing excellent communication with strong attention to detail and interpersonal skills comfortable working in a team based, results oriented environment.
- Registered with the Association of British Columbia Forestry Professionals
- Have a solid knowledge base of applicable BC legislation and policies.

A&A Trading Ltd is an independently owned, fully integrated forestry company based out of Vancouver and Campbell River with operations all along the coast and Vancouver Island. A&A is committed to the wellbeing and professional development of our employees as well as consistently producing high quality log products for our global customer base.

Please visit our website at <http://www.aatrading.com/>

A&A offers a competitive salary and benefits package with the opportunity of annual performance bonuses. If you are interested in joining our team, please submit your resume and references to [jpollock@aatrading.com](mailto:jpollock@aatrading.com) by June 19, 2017.

We thank all candidates for their interest; however only those selected for an interview will be contacted.
