

A&A TRADING LTD.

GIS Technician

A&A Trading Ltd. (A&A) is currently seeking a self-motivated, detail-oriented and organized individual to fill the role of GIS Technician based out of our Campbell River, BC. office. As the GIS Technician, you will be fully integrated into the planning and development of our tenure management areas. This position will primarily focus on the processing and management of spatial data, the preparation of operational maps and the creation of visual impact assessments, as required. A forestry background, while not essential, is an asset for this position. A&A is a privately owned coastal forestry company with offices in Vancouver, Terrace, Sandspit and Campbell River.

QUALIFICATIONS:

- Technical training in geomatics and ESRI software.
- Experience working with Visual Nature Studio, GPS data, Road Eng. and XML file creation.
- Minimum of 2 years of forestry mapping experience with preference to Cengage systems.
- Self-motivated individual possessing excellent attention to detail, communication and interpersonal skills. Must be comfortable working in a team based, results oriented, fast paced environment.

A&A offers a competitive salary and benefits package with the opportunity of annual performance bonuses. If you are interested in joining our team, please submit your resume and references to David Marquis at dmarquis@aatrading.com. The deadline for applications is October 12, 2018.

We thank all candidates for their interest, however only those selected for an interview will be contacted.
