

**AV Group NB Inc.** is an exciting and innovative company operating in the unique global market of viscose fibre. Located in Nackawic, New Brunswick, our pulp mill finds itself in a picturesque area of the Saint John River, a short drive between Fredericton and Woodstock, New Brunswick. As part of the Aditya Birla Group, our role is to produce specialty pulp products (dissolving grade pulp) for the group's textile industry. The Aditya Birla Group is a 40 billion US\$ corporation in the League of Fortune 500 companies. With operations in 36 countries, the Group is anchored by an extraordinary force of over 136,000 employees, belonging to 42 different nationalities. In 2011, Aditya Birla was ranked fourth globally and first in the Asia-Pacific region, in the "top companies for leaders" study. It is also ranked first in the production of viscose staple fibre textiles worldwide.

AV Group NB Inc. is currently recruiting for the following position: **Contract Forester - Woodlands**

**Position location:** Nackawic, NB

### **Role Overview**

Working in AV Group NB Inc.'s Woodlands division, the individual will provide support in organizing, monitoring, and controlling cost effective wood measurement and procurement. This individual is a key member of the woodlands team providing support to the scaling, operations and wood purchasing department. The role of the individual will encompass but is not limited to:

- Ensuring quality control as per specifications and ensuring minimum closing stock at AV Nackawic wood yard.
- Monitoring and control of stockpiles to reduce losses or degradation on inventories.
- Monitoring and control of weigh scale systems to ensure measurement is compliant and traffic flows are uninterrupted.
- Provide support to the Woodlands team in identifying new technologies and procedures to improve the operation.
- Other woodlands related activities as required depending on ability and interest.

## **Key Responsibilities Include:**

Our ideal candidate has the following qualifications:

- A Degree or Diploma from a recognized Post-Secondary Forestry Program.
- Experience in wood measurement.
- Experience in wood harvesting operations dealing with wood quality inspections.
- Strong communication in dealing with public concerns.
- Exceptional organization, decision making and problem solving abilities.
- Creative, self-motivated individual with high attention to detail of the finished product.
- Strong technical skills supported by proficiency in MS Office.
- Bilingualism would be an asset.

**Note:** This is currently a one year contract with potential for extending depending on the individual and opportunities that arise.

## **Why AV Group NB Inc.?**

With AV Group NB Inc. you will become a part of a worldwide global company that understands the value of their employees. You will be part of a team that is built on strong values and work ethics. AV Group NB Inc. offers challenges in a wide range of disciplines and opportunities for professional growth, a competitive salary, competitive benefits package and a variety of training & development programs to help you develop the skills you need to build a successful career. If you believe you are a good fit for a fast-paced, challenging work environment, please submit your application to our Human Resources Department no later than November 18, 2017:

**Attention: Human Resources Department - Email: [avnresumes@avnb.ca](mailto:avnresumes@avnb.ca)**

**Mailing Address: 103 Pinder Road, Nackawic, NB, E6G 1W4**

*We thank all applicants for their interest, however, only those selected for an interview will be contacted.*
