

ASPEN PLANERS LTD.

Aspen Planers Ltd. Woodlands Division Lillooet BC Forest Operations Supervisor

Aspen has an opening for a Forest Operations Supervisor in the Lillooet Timber Supply Area starting in spring 2019.

Responsibilities include supervision of harvesting and road construction contractors, maintenance of the Environmental Management System, promote safety in the workplace, and various operational/planning activities as required.

The ideal candidate has 3-5 years in a related position; however we will consider a new graduate of a forestry/natural resources program. This is a great opportunity for a young graduate to enter into an accelerated position that will allow them to be mentored/trained by our existing staff.

Qualifications

- Must have a valid driver's license
- University or College Diploma in Forestry or related discipline
- Preferred registration or be eligible to be registered with the ABCFP
- Understanding of forest management, operations planning, and harvest systems
- Must be able to address safety, environmental concerns, and log quality issues
- Physically fit and able to work in the field in all seasons
- Able to work independently and within a team environment
- Computer Proficiency (Word, Excel, Phoenix)
- A desire to learn new skills

Location:

Welcome to Lillooet, BC located in the rain shadow of the Coast Mountains, a two hour drive to Whistler and two hours to Kamloops. If you enjoy hiking, biking, backcountry skiing, fishing, or hunting the mountains surrounding Lillooet have something to offer.

We offer a competitive salary, excellent benefits, and a great outdoor healthy work environment. We look forward to hearing from you.
