

Where ideas work

## **Ministry of Forests Lands and Natural Resource Operations**

### **Regional Integrated Investment Specialist**

**There are eight positions, one in each region: Nanaimo, Williams Lake, Kamloops, Smithers, Fort St John, Surrey, Cranbrook, and Prince George.**

The Ministry of Forests, Lands and Natural Resource Operations (FLNRO) works to restore and maintain healthy, resilient forests. In recent years, government has made significant investments to achieve this objective including: the Forest Carbon Initiative (FCI) as part of the Climate Leadership Plan, the Forest Enhancement Society of BC, the Forests for Tomorrow Program (as part of Land Based Investment Strategy), the Forest Fibre Action Plan and the Strategic Wildfire Prevention Initiative (SWPI). Each of these programs has a unique mandate and delivery approach.

The Integrated Investment Specialist will work with multiple internal and external stakeholders such as licensees, local governments, First Nations and various funding organizations/programs (i.e. the Forest Enhancement Society of BC). They also work across FLNRO business areas such as Climate, BC Timber Sales, Resource Stewardship and First Nations Relations. Each Integrated Investment Specialist will build and lead the regional integrated planning team and will coordinate, report and identify investment opportunities on the land base. The Integrated Investment Specialist will ensure that the investment opportunities deliver government priorities and inform funding decisions (e.g. Forest Carbon Initiative, Forest Enhancement Society of BC, Forests for Tomorrow, Land Based Investment Strategy, etc.) to enable activities on the ground (reforestation, fibre utilization, ecosystem recovery, wildfire prevention).

An excellent communicator, you deal with all matters related to integrated investment planning and ensure that regional work aligns with government objectives. An independent leader and collaborative team player, you have excellent project and contract management, planning and coordination skills and are able to manage and track multiple projects. If you have the experience we are looking for and are ready for the next step in your career, we look forward to receiving your application!

**For more information about these opportunities, including qualifications required and how to apply online by July 21<sup>st</sup> 2017, please visit:**
