

Where ideas work

**BC Public Service  
Ministry of Forests, Lands and Natural Resource Operations  
Multiple Locations**

### **Forest Technologist**

**It's time to take your forestry career in an exciting new direction!**

**Salary: \$49,917.96- \$56,739.27 annually**

**This posting will create an inventory of applicants to fill full and part-time permanent and temporary BC Timber Sales Forest Technologist vacancies in locations throughout British Columbia. Only members of the inventory will be provided access to postings for these jobs.**

A career path in [BC Timber Sales](#) (BCTS) offers exceptional opportunities to develop new solutions to complex problems, and to learn and grow personally and professionally. Existing and future BCTS employees have the opportunity to impact public and private forests, communities, the economy and the lives of British Columbians in positive and unique ways.

As a Forest Technologist, you will perform a variety of technical and operational duties to support the planning, engineering and reforestation activities of the Timber Sales Office. Applying your knowledge of technical forestry management and field operations, you will estimate and compile resource needs, cost requirements, and conduct resource assessments. An integral part of a high-functioning, multidisciplinary field team, you will perform various activities required to develop Timber Sales Licenses and support Field Team operations.

This BC Public Service role provides more than simply an exciting career opportunity – other features include a moving allowance, a thirty-five hour work week, three weeks of vacation to start, eligibility for the Pacific Leaders Loan Forgiveness Program for BC Student Loans and monetary assistance with your career development.
