

Where ideas work

**Ministry of Forests, Lands and Natural Resource Operations
BC Timber Sales
Victoria, Vernon, Prince George, or Kamloops**

**Seed and Seedling Planning officer
Salary: \$61,805.03- \$77,194.06 annually**

[BC Timber Sales \(BCTS\)](#) is a semi-autonomous organization within the Ministry of Forests, Lands and Natural Resource Operations (FLNRO). BCTS plans, develops, and auctions a substantial portion of the province's annual available timber volume.

Seedling Services manages BC Timber Sales' inventory of seed and the acquisition, distribution and storage of seedlings for BCTS and other government clients. More than 60 million seedlings are managed annually at nursery locations throughout the province to meet the reforestation objectives of Forests for Tomorrow, District Operations and BCTS planting programs. .

The Seed and Seedling Planning Officer provides the provincial expertise in seed/seedling management and leads the related development, planning and implementation of program initiatives and processes throughout the province for BC Timber Sales (BCTS) and for the Ministry.

Qualifications for this role include:

- Degree in Forestry or equivalent as recognized by the relevant association and 5 years of current progressive and related forestry experience, or an equivalent combination of education and experience
- Must be registered, or immediately eligible for full registration with the Association of BC Forest Professionals
- Progressive and current experience in seed/seedling use and allocation to meet legal reforestation obligations.
- Experience in budget management
- Experience negotiating/mediating solutions in natural resource management.
