

## SHOW ME THE MONEY

Backcountry Forest Service is proud to offer excellent rates, benefits and RRSP matching for permanent employees. We love what we do... and getting paid. Rates and benefits package details will be discussed with those contacted for interview.

### ***Hello!***

**Backcountry Forest Service is looking for people who love forestry. We value integrity, success, respect and innovation. If you value these qualities, consider joining our team in Grande Prairie.**

**If any of these sound like the position you are looking for, please send in a PDF file, your cover letter and resume outlining your experience to [l.perkins242@gmail.com](mailto:l.perkins242@gmail.com)**

Our work flow model is designed to create opportunity and individual autonomy. We offer top industry rates and flexible time off. Our 2017 data shows individual employee earnings ranging between \$4,700 and \$10,000 per month with the low end average daily earnings beginning at \$280. Although clearly earnings will vary, no matter your experience and skill level you can rest assured that you will be well compensated for your effort. All field work is based on a piece rate. Hourly rates are available for certain tasks and more advanced positions.
