

Forestry Supervisor - Planning

Who We Are:

Canfor is one of the world's largest and most respected integrated forest products companies. For more than 75 years, we have been delivering top-quality lumber, pulp and paper products to our valued customers worldwide. With operations in Western Canada and the Southern United States, and sales offices around the world, you can find Canfor products in every corner of the globe. We are leaders in sustainable forest management and in converting wood residuals into green energy.

As we continue to grow our company and our markets, find out how you can grow your career with us.

Key Responsibilities:

- Conduct both field and office activities which relate to Planning, including block design and reconnaissance in a safe and productive manner.
- Assist in the management of Canfor's Sustainable Forest Management Plan and Forest Operations Schedule.
- Ensure compliance with operational plans, company policy and legal requirements.
- Work and form positive relationships with Internal Customers, Team members, External Customers, First Nations, Government Agencies, the Public and other Stakeholders.
- Achieve key performance measures by applying the principles of performance management.
- Preparing budgets and managing costs within your specific responsibilities.
- Participating in Continuous Improvement initiatives and other team projects as requested.

Required Skills:

- University Degree or Technical Diploma with a minimum of 5 years forestry experience.
- Excellent leadership, communication & project management skills, with the ability to work within a team environment.
- Excellent knowledge of applicable B.C. legislation and policies.
- Proficient in using a computer & related software and forestry applications.
- Valid Class 5 driver's license

Applicants are asked to submit a current driver's abstract with their resume.

Hiring for this position is ongoing and will be filled as required. To be considered for this position, please apply today.

There has never been a better time to join the Canfor team and become part of the modern forest

industry. We have a wide range of rewarding careers in some of the best communities in North America, with plenty of room for advancement. Our mills are modern, high-tech and safe; and our marketing and sales activities are world-class. We offer competitive compensation and benefits packages, and are committed to the professional development of our employees.
