cimco@centralinterior.ca

Central Interior Mapping Co. Ltd is a well established forestry management company based in Quesnel B.C. For more than 25 years we have been providing professional timber and silviculture services to our clients and are looking for self-motivated and enthusiastic people to join our knowledgeable staff. We are currently seeking a Forestry Technician.

Forest Technician (start date immediately)

Duties may include:

- Timber reconnaissance and planning,
- Timber cruising,
- Road and cutblock layout, associated stream and riparian assessments
- SP data collection,
- GPS traversing of roads and cut block boundaries which includes a familiar working knowledge of the hardware and software associated with GPS traversing
- Office reports and prescriptions
-

General Qualifications

- A minimum of two years field experience in one of the above
- Valid Class five drivers license with a clean driver's abstract
- Must be physically fit and be prepared to work outdoors in variable weather conditions
- Clear and legible hand writing and note taking, strong written and verbal communication skills and a sound attention to detail
- Familiarity with handheld data collectors and associated software
- Post secondary education in Forestry or a related field, as well as registration with the ABCFP as a RFT or FIT is an asset

This position is full time with wage commensurate with experience.

Please submit resumes **with references** and cover letter, in confidence to:
