

Field Operations Crew Leader

City: Mackenzie, BC, Canada

Location: Mackenzie Forest Management Group

Who We Are:

Canfor is one of the world's largest and most respected integrated forest products companies. For more than 75 years, we have been delivering top-quality lumber, pulp and paper products to our valued customers worldwide. With operations in Western Canada and the Southern United States, and sales offices around the world, you can find Canfor products in every corner of the globe. We are leaders in sustainable forest management and in converting wood residuals into green energy.

Each year we hire over 100 employees into term positions to work within our 11 Woodlands locations in BC and Alberta located in Vavenby, Radium, Elko, Mackenzie, Cranbrook, Prince George, Vanderhoof, Houston, Chetwynd, Fort St. John and Grande Prairie (AB).

Currently, we are looking for a Crew Leader to join our Field Operations team at our Mackenzie division for an 11-month seasonal contract. A housing allowance or company provided shared accommodations for this work term will be provided to the successful applicant.

Responsibilities:

- Supervision of a 4 person layout crew
- Road and cut block development, site level plans and ecosystem data collection, operational cruising, field information mapping, stream and riparian assessments
- In-office design working with Arc Map/Arc View and Road Eng tools for engineering and operational duties in preparation for field work

Required Skills:

- A Forestry related degree or diploma
- A minimum of 6 months experience working in a Forestry related capacity; preference will be given to those with experience doing cut block development or cruising work.

- Excellent communication skills and an ability to perform physically demanding fieldwork in a team environment
- A valid Class 5 driver's license

Hiring for this position is ongoing and will be filled as required. To be considered for this position, please apply today!

There has never been a better time to join the Canfor team and become part of the modern forest industry. We have a wide range of rewarding careers in some of the best communities in North America, with plenty of room for advancement. Our mills are modern, high-tech and safe; and our marketing and sales activities are world-class. We offer competitive compensation and benefits packages, and are committed to the professional development of our employees.
