

HARVESTING SERVICES
REQUEST FOR PROPOSAL
VANDERHOOF

Canfor is one of the world's largest producers of sustainable lumber, pulp and paper and is also a North American leader in green energy production. The company has built its reputation on the quality of its products, the reliability of its supply and its superior customer service.

Canfor is interested in soliciting individual proposals for the following projects within the Vanderhoof Operations Division:

DESCRIPTION OF PROJECT:

Three year non-replaceable Stump to Dump Harvesting Contract with annual volume of 100,000m³ – 150,000m³, of cut-to-length and long log harvesting.

Prior to obtaining an RFP package, contractors must, provide a prospectus with the following information:

- i. A brief description of your company, including: services offered, history, number of employees, major assets and the like.
- ii. Company contact name and phone number.
- iii. At least two (2) references for whom you have completed similar work. Include name of project reference, location, size and term (length) of contract, contact's name and phone number.

Information supplemental to what is referred to in this advertisement will be described in greater detail in the "Request for Proposal" packages. Canfor may reject in whole or in part, any/and or all proposals for any reason after taking into account factors outlined in the RFP. Contractor Proposal(s) are to be submitted by **17:00** hours on Friday **October 27th, 2017**.

Packages for the above project may be picked up at the Canfor Vanderhoof Office, located at 1399 Bearhead Road Engen, BC, between the hours of 07:00 and 15:00 hours, Monday through Friday starting **October 13, 2017**. Alternately they can be digitally emailed to you upon request.

Company prospectuses and Contractor Proposals must be faxed or emailed to the following:
