

## MEASUREMENT TECHNICIANS (2) – PRINCE GEORGE, BC

### THE OPPORTUNITY:

Located at the heart of British Columbia's forest industry lies Carrier Lumber Ltd. With a corporate culture built on hard work, ingenuity and collaboration, we are pioneering technological advances in one of Canada's most stable & grounded industries.

### THE QUALIFICATIONS:

Carrier Lumber Ltd. is seeking two (2) Measurement Technicians. The candidates will be detail oriented with a proactive attitude. They will have the ability to work well with others at all levels and should be motivated self-starters that are comfortable working alone. They will need to seek solutions, take initiative and respond to change. The individuals should be willing to look at and handle real/practical problems, as well as computer programs and simulations. This is a physical job, working in mill, office, and outdoor environments.

The following qualifications are preferred:

- Skilled with relevant Microsoft Suite programs (Excel, Word, Access)
- Minimum 2 years' experience in a mill (or similar) setting
- Technically capable with some mechanical, electrical, or process experience
- 'A'-level lumber grading ticket

### THE DUTIES:

- Daily product quality assessments, primarily lumber grade checks and log quality checks
- Regular presence on the production shift looking for process opportunities
- Frequent data analysis and recommendations, including simulations and tests for improving the product, yield or value created
- Weekend inventory counts
- Infrequent travel involved to our sister mill in Saskatchewan

Interested candidates may submit a cover letter and resume to [resumes@carrierlumber.ca](mailto:resumes@carrierlumber.ca) or fax: 250-563-9371. Deadline to apply is August 31, 2017. We thank all those who apply, but only qualified applicants will be contacted.
