

## **Request for Proposal**

Carrier Forest Products Ltd, located in Saskatchewan, is issuing an RFP to interested parties for a Stump-to-Dump logging contract for up to 100,000 m<sup>3</sup> annually.

Carrier is seeking an experienced contractor who has the ability to log and process timber to specification, and deliver it to the sawmill in Big River, Saskatchewan.

If you are able to meet these qualifications, please contact us for further information:
