TIMBER CRUISING TRAINEE / FIELD ENGINEER:

OVERVIEW:

Chartwell Consultants Ltd. is looking for a Timber Cruising Trainee to join our field team. The chosen individual should also expect Field Engineering duties as a part of their position. Registration or eligibility for registration with the ABCFP as a RFT or as an Accredited Timber Cruiser would be considered an asset.

PRIMARY RESPONSIBILITIES FOR THIS POSITION MAY INCLUDE, BUT ARE NOT LIMITED TO:

- Timber Cruising Training
- Coastal and Interior Field Cruising
- Cruise Plan Preparation
- Cruise Compilation Preparation and Submission

SECONDARY RESPONSIBILITIES MAY INCLUDE:

- Field Engineering / Layout of Cutblocks and Roads
- Preparation of project deliverable documents
- Assisting with road inspection and deactivation prescriptions
- Powerline and IPP project assistance

QUALIFICATIONS AND REQUIREMENTS:

Successful applicants will have an introductory knowledge of cruising and forestry legislation, and be willing to participate in a training program. Additionally, the individual(s) should demonstrate strong organizational and communication skills and be familiar with applicable computer software (Microsoft Office, CruiseMate, RoadEng, iPad, etc.). This position will be primarily based in either North Vancouver or Chilliwack; however, applicants must be willing to travel within the Province for extended periods (up to 10 days).

ADDITIONAL INFORMATION AND APPLICATION:

Chartwell Consultants Ltd. offers a competitive salary and a comprehensive benefits package along with a bonus program. Compensation will be commensurate with experience.

Applications will be accepted until positions are filled. To apply, please forward a resume with a cover letter to info@chartwell-consultants.com.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
