

If you're ready to join a dedicated team of professionals and have a passion for making a difference, we want to hear from you!

We have a number of rewarding professional positions available now, including:

Forestry Assistant Mackenzie, BC

The Forestry Assistant role is a pivotal position for growth and development for Forestry Supervisor. This role will see you engaged in all aspects of timber development, from the operational elements, to the preparation of and submission of documents required for permit acquisition, to strategic forest planning. This role plays an important part in ensuring timely delivery of logs and fibre from our 782,500 m³/year forest license to sawmill, and our 40 megawatt power plant.

Key Responsibilities:

- Assisting and undertaking where required, all phases of timber development, including timber recce, block and road layout, timber cruising, ECE data collection and SP data collection.
- Assisting in all stages of cutting permit acquisition and building our Standing Timber Inventory.
- Implementing Conifex's operational safety, environmental and forest certification programs and ensuring compliance with plans and legislated requirements.

Here's What We Offer:

- Excellent financial compensation and health benefit package, including an annual health spending allowance.
- A wide range of professional development and training opportunities.
- Flexible work hours.
- The chance to live and work in an active and growing community offering the best aspects of small town life with a wide range of amenities, including superb outdoor recreational opportunities of all types, extensive all season trail systems, golf course, hospital, and nearby ski hill (Powder King); all within a 2 hour drive of the city of Prince George, the University of Northern BC, and an international airport.

Required Skills:

- Demonstrate a willingness to learn, a positive attitude, be physically fit, and able to produce positive results with clients and contractors.
- Have the ability to work in both an office and field environment where the tasks are very diverse.
- Registered (or eligible for registration) as a forestry professional with the Association of British Columbia Forest Professionals.
- Valid class 5 drivers licence.

Applicants will be accepted until position has been successfully filled.

To apply, please visit our website www.conifex.com and apply through the "Opportunities" tab.
