

If you're ready to join a dedicated team of professionals and have a passion for making a difference, we want to hear from you.

We have a number of rewarding professional positions available now, including:

Forestry Supervisor - Mackenzie or Fort St. James

We are looking for a Forestry Supervisor. Reporting to the Permitting Superintendent, duties include undertaking and supervising multi-phase timber development and permit acquisition required to ensure the sustainable and timely delivery of logs and fibre from our Mackenzie and Fort St. James forest licences to our sawmills and power plant.

Experienced supervisor preferred, but we are willing to invest in and develop the right candidate to fill this position.

Key Responsibilities:

- Supervising and undertaking where required all phases of timber development, including timber recce, block and road layout, timber cruising, ECE data collection and SP data collection.
- Leadership in all stages of cutting permit acquisition and building our Standing Timber Inventory.
- Implementing Conifex's operational safety, environmental and forest certification programs and ensuring compliance with plans and legislated requirements.

Here's What We Offer:

- Excellent financial compensation, flexible work hours, and health benefit package, including an annual health spending allowance.
- A wide range of professional development and training opportunities.
- The chance to live and work in an active and growing community offering the best aspects of small town life with a wide range of amenities, including superb outdoor recreational opportunities of all types, a recreational center, extensive all season trail systems, golf course, hospital, and nearby ski hills; all within a 2 hour drive of the city of Prince George, the University of Northern BC, and an international airport.

Required Skills:

- Demonstrate a willingness to learn, a positive attitude, be physically fit, and able to achieve positive results with clients and consultants.
- Have the ability to work in both office and field environments where the tasks are very diverse.
- Registered, or eligible for registration as a forest professional with the Association of British Columbia Forest Professionals.

Applicants will be accepted until position has been successfully filled.

To apply, please visit our website www.conifex.com and apply through the "Opportunities" tab.
