

We have 2 rewarding positions in Mackenzie starting May 1, 2018. One position is a 4 month term and the second position is an 8 month term.

[Forestry Field Assistant- Silviculture \(Mackenzie\)](#)

In this role you will be assisting the silviculture team with the implementation and supervision of planting and brushing contracts; participating in manual brushing layout, post-harvest assessments, forest health assessments, and field data collection and management.

Here's What We're Looking For:

- A love of the outdoors – this position involves significant field work,
- Creative self-starters who aren't afraid to dive in,
- Excellent interpersonal skills,
- A valid driver's licence,
- Preference will be given to those enrolled in, or graduates of, a forestry or natural resource program.

Here's What We Offer:

- Great financial benefits including a competitive salary and living accommodations provided,
- A wide range of career development/training opportunities,
- The chance to live and work in an active community offering the best aspects of small town life with a recreational center, extensive all season trail system, golf course, and hospital; all within a 2 hour drive of the city of Prince George and the University of Northern BC,
- Working in a dynamic office with young professionals.
