Forest Professionals and Field Technologists

Terrace, British Columbia

Cypress Forest Consultants Ltd. is a mid-sized natural resource consulting firm based in Northwestern B.C. providing Engineering, Inventory and Silviculture services since 1994 to an established clientele that includes:

- Local forest tenure holders
- Terrace Community Forest LP
- BC Timber Sales
- BC Hydro and other power generation companies
- Gas companies
- Mineral resource companies
- First Nations stakeholders and Aboriginal Businesses
- Ministry of Forests, Lands, Natural Resource Operations & Rural Development
- Private Landholders

Cypress' team of forest professionals and experienced technical and administrative staff work in conjunction with their clients and qualified professional subcontractors to complete projects of varying sizes and scopes in a variety of disciplines.

We are seeking to hire persons (both graduates and returning students) for seasonal and permanent full-time positions, including crew leaders in 2018. A preference may be shown for those persons seeking or who are currently registered with the Association of BC Forest Professionals (ABCFP).

Job Description: Approximately 45 hours per week, with occasional longer periods in a land-based situation as required. Duties may include, but will not be limited to:

- Road and cutblock layout and traversing
- Timber cruising (coastal and interior)
- GPS traversing and mapping
- Deflection lines and analysis
- Waste and Residue Surveys
- Coastal and Interior appraisals
- Site Plan data collection and reporting
- Timber recce, mapping and reporting
- Road building and harvesting supervision
