

Silviculture Surveyors

Diverse Silviculture Services Ltd has been operating out of Whitecourt, AB since 1999. We are a company that works seasonally from the beginning of May until the end of October each year. Currently we are seeking surveyors to start early July 2018 and work through until late October, early November 2018. We have a range of surveys this season including, but not limited to establishment surveys and performance surveys.

Ideal candidates will have previous silviculture survey experience, but we will consider applicants that have previous forestry experience such as tree planting or thinning. Applicants must be able work alone in rugged terrain.

Diverse Silviculture will provide housing in the Whitecourt area for the duration of the contracts.

If interested in applying for the available positions, please email Trevor Wall at trevwall09@hotmail.com. Only those candidates considered for interviews will be contacted.
