# 2019 Forestry Summer Student Opportunities

## • Silviculture

We are currently recruiting summer students for the 2019 season in our forestry operations in Dryden, Ontario and Ear Falls, Ontario. Employment opportunities are generally 4 months in duration for the summer term. A progressive community set between Winnipeg and Thunder Bay, Dryden offers excellent camping, fishing and outdoor activities.

**Responsibilities**
Depending on your year of study and specialization, your responsibilities will include:
- assisting the silviculture forester with day to day duties
- monitoring silviculture contractors (tree plant/site preparation operations/tending) performance around safety and quality
- conducting site reconnaissance; preparing pre-work for renewal work; verifying contractor payment and compliance
- conducting various regeneration surveys (FTG, exceptions monitoring, and stand tending)
- assisting with the planning of various silviculture projects (i.e. aerial chemical tending or slash pile burn projects)
- collect data using GPS and query / compile data using GIS system
- miscellaneous duties such as road inspections, water crossing monitoring and other forestry related duties

**Qualifications**
- Students in all years of BSc. Forestry Program or Technical Diploma will be considered.
- Previous GIS, GPS, silviculture, field surveying (FTG, regeneration survey, FRI cruising) contractor supervision, surveying, harvesting or road construction experience would be an asset.
- Must be able to work in a forest environment.
- Must have a valid driver's license and a valid First Aid certificate.

**Compensation**
A competitive salary is offered, as well as a limited travel allowance and living allowance.

**To apply**
Please submit a cover letter and resume, in confidence, by Wednesday October 10th, 2018 at 3:00 pm CDT to **donna-rae.carter@domtar.com**.

*We would like to thank all applicants for their interest; however, only those candidates selected for interviews will be contacted.*

*Building a capable, committed, and diverse workforce.*
