

Career Opportunity:

Senior Level Forest Engineer
and
Head Timber Cruiser

**Dunham & Associates**
Forest Professionals Ltd.

Dunham and Assoc. is a consulting firm specializing in the resource sector. Our clients include First Nations, forest licensees, government and energy corporations. Located in beautiful, picturesque Chilliwack, B.C., only one hour from Vancouver, B.C., in the affordable but amenity rich Fraser Valley this career opportunity offers a chance for an unbeatable work and personal life combination.

We have immediate openings for a **Senior Level Forest Engineer** and a **Head Timber Cruiser** who will carry out local work within the Fraser Valley.

Candidates for both positions should have a technical diploma or degree in forestry or a related field and be willing to take on key roles, possess superior work ethic and have the ability to work independently. Candidates should be registered or eligible to register with the ABCFP.

Applicants for the **Senior Level Forest Engineer** position should possess experience in forest planning, coastal block and road layout and have a good understanding of applicable policy and legislation as well as associated forestry software.

Candidates for the **Head Timber Cruiser** position should possess experience with coastal field cruising, cruise plan preparation and cruise compilation preparation and submission.

Dunham & Assoc. offers a competitive salary plus benefits package along with a moving allowance. Compensation will be commensurate with experience.

If you believe you possess the skills, qualifications and attitude we require, we would love to hear from you! Please submit resumes in confidence to:

Dunham and Associates Forest Professionals Ltd.

Email: info@dunhamforestry.com

Please note: All inquiry are confidential. We would like to thank all applicants in advance however, only those candidates considered suitable for the position will be contacted and resumes will be accepted until the position is filled.
