

Career Opportunity: Timber Development and Engineering Project Manager

Dunham and Assoc. is a consulting firm specializing in the resource sector. Our clients include First Nations, forest licensees, government and energy corporations. Located in beautiful, picturesque Chilliwack, B.C., in the affordable but amenity rich Fraser Valley this career opportunity offers a chance for an unbeatable work and personal life combination.

We have an immediate opening for a **Timber Development and Engineering Project Manager** who will carry out local work within the Fraser Valley with very little to no travel required. This is a full time position with benefits including use of a company truck, paid opportunities for professional development and moving allowance.

Candidates should have a technical diploma or degree in forestry or a related field and possess experience in forest planning, coastal block and road reconnaissance/layout and have a solid understanding of applicable policy and legislation as well as associated forestry software. Experience with cutting permit and site plan preparation will be considered an asset.

Successful applicants must be willing to take on a key role, possess a superior work ethic and have the ability to work independently. Candidates should be registered or eligible to register with the ABCFP.

If you believe you possess the skills, qualifications and attitude we require, we would love to hear from you! Please submit resumes in confidence to:

Dunham and Associates Forest Professionals Ltd.

Email: info@dunhamforestry.com

Please note: All inquiry are confidential. We would like to thank all applicants in advance however, only those candidates considered suitable for the position will be contacted and resumes will be accepted until the position is filled.
