

Career Opportunity: Junior and Intermediate Forest Technicians

Dunham and Associates provides multiphase forestry consulting services to a variety of industry, government and private sector clients. Located in beautiful, picturesque Chilliwack, B.C., only one hour from Vancouver, B.C., in the affordable but amenity rich Fraser Valley this career opportunity offers a chance for an unbeatable work and personal life combination.

We have immediate openings for **Junior and Intermediate Forest Technicians** who will carry out local work within the Fraser Valley.

Junior level candidates should have a minimum of one year coastal field experience and some knowledge of forest engineering and timber development. Candidates should possess skills with navigation/map reading and GPS surveying. A technical diploma or degree in forestry or a related field would be an asset.

Intermediate level candidates should have a technical diploma or degree in forestry or a related field and possess a minimum of two years experience in forest planning, coastal block and road layout and have a good understanding of applicable policy and legislation.

Candidates should be physically fit and able to work well in a team oriented environment.

Dunham & Assoc. offers a competitive salary plus benefits package.

If you believe you possess the skills, qualifications and attitude we require, we would love to hear from you! Please submit resumes in confidence to:

Dunham and Associates Forest Professionals Ltd.

Email: info@dunhamforestry.com

Please note: All inquiry are confidential. We would like to thank all applicants in advance however, only those candidates considered suitable for the position will be contacted and resumes will be accepted until the position is filled.
