

Eacom Timber Corporation

FIELD OPERATIONS COORDINATOR

Reference: Thessalon_Field-OP-Coord_April2017

Duration: Permanent, Full Time

Location : THESSALON, ON

EACOM Timber Corporation is a major Canadian wood products company. Its operations include the manufacturing, marketing and distribution of lumber and wood-based value-added products, and the management of forest resources. EACOM currently owns seven sawmills (5 in Ontario, 2 in Quebec), a remanufacturing facility (Quebec) and a partnership operation in an engineered I-joists plant (Ontario). Its head office is located in Montreal, Quebec, and the company is now hiring more than 1 000 passionate people. The Company is committed to investing in strong assets, including healthy forests, advanced technology and talented people.

FIELD OPERATIONS COORDINATOR

We're looking for a FIELD OPERATIONS COORDINATOR. Reporting to the General Manager, Northshore Forest, Ontario and based out of the Thessalon office, you will assist in the planning, implementation and monitoring of all silvicultural activities on the Northshore Forest.

RESPONSIBILITIES :

- Assist the Management Foresters to develop Annual Work Schedules consistent with approved Forest Management Plans and operating budgets.
- Ensure all operations are consistent with FSC certification standards for the Northshore Forest.
- Monitor and report on the compliance of harvest, road construction and silviculture operations.
- Assist Overlapping Licencees and Contractors during the implementation of harvest operations
- Liaise with the Ministry of Natural Resources & Forestry, Shareholders, Overlapping Licencees and Stakeholders.

SKILLS :

- Demonstrate a willingness to learn, a positive attitude, be physically fit, and able to produce positive results
- Have leadership skills and be motivated to produce high-quality deliverable products
- Be flexible and adaptable to a variety of work environments
- Have the ability to work independently with minimal supervision and in a team environment

REQUIREMENTS :

- Possess 5+ years of related forestry experience (forest management experience in the Great Lakes-St. Lawrence Region would be considered an asset)
- Have a recognized University Degree or College Diploma in forestry or it's equivalent
- Be experienced in the use of Microsoft Office, Arcview GIS (or equivalent), GPS technology and electronic data collection tools
- Be a certified MNR Compliance Inspector and Tree Marker or possess the ability to obtain certification
- Have a reliable 4-wheel drive vehicle and valid Ontario "G" Class Drivers License, or equivalent, clean driving record and experience with driving on gravel roads

If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require. Any information you send us will be handled respectfully and in complete confidence.

EACOM is an employer that respects equal opportunities in employment.

The masculine gender is only for abbreviation.
