

Eacom Timber Corporation

FORESTRY - SILVICULTURE SUMMER STUDENT JOB - TIMMINS (Pineland & Spanish Forest)

Reference: SummerStudentJobs_Silviculture

Duration: Seasonal

Location: VARIOUS LOCATIONS, Ontario

EACOM Timber Corporation is a major Canadian wood products company. Its operations include the manufacturing, marketing and distribution of lumber and wood-based value-added products, and the management of forest resources. EACOM currently owns seven sawmills (5 in Ontario, 2 in Quebec), a remanufacturing facility (Quebec) and an engineered I-joists plant (Ontario). Its head office is located in Montreal, Quebec, and the company is now hiring more than 1 000 passionate people. The Company is committed to investing in strong assets, including healthy forests, advanced technology and talented people.

Woodlands are looking to fill 4-month term positions in TIMMINS location.

These positions start in April or early May 2018. If you would like to be part of our team and actively contribute to our success, please send your resume and covering letter detailing how your work experience and education meet the qualifications for this position, along with 3 work related references by November 30th, 2017.

DUTIES:

- Assist with the implementation of silviculture programs on both the Pineland and Spanish Forests
- Monitoring silviculture contractor performance (tree plant, site preparation, aerial tending, PCT)
- Conducting various silvicultural surveys (free-to-grow/regeneration, pre & post treatment PCT)
- Conduct miscellaneous duties such as road inspections, water crossing monitoring, gravel pit inspections and other duties as assigned.

SKILLS PROFILE:

- Have the ability to work independently with minimal supervision and in a team environment
- Demonstrate a willingness to learn, a positive attitude, be physically fit, and able to produce positive results with clients and contractors
- Have leadership skills, be motivated to produce high-quality deliverable products, and be flexible and adaptable to a variety of work environments

REQUIREMENTS:

- Enrolled in a recognized University Degree or College Diploma in forestry, forest engineering, or forest technician or equivalent
- Have acquired a minimum of one field season of experience or show an interest in silviculture or harvest operations
- Be experienced in the use of Microsoft Word, Excel, ArcView GIS (or equivalent), GPS technology
- Required to work outdoors in a variety of weather and terrain conditions
- Driver's License in good standing

If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require. Any information you send us will be handled respectfully and in complete confidence.

EACOM is an employer that respects equal opportunities in employment.
