

Eacom Timber Corporation

INDUSTRIAL ELECTRICIAN

Reference: EF_Industrial_Electrician

Duration: Permanent, Full Time

Location: Ear Falls, Ontario

EACOM Timber Corporation is a major Canadian wood products company. Its operations include the manufacturing, marketing and distribution of lumber and wood-based value-added products, and the management of forest resources. EACOM currently owns seven sawmills (5 in Ontario, 2 in Quebec), a remanufacturing facility (Quebec) and an engineered I-joists plant (Ontario). Its head office is located in Montreal, Quebec, and the company is now hiring more than 1 000 passionate people. The Company is committed to investing in strong assets, including healthy forests, advanced technology and talented people.

We are presently looking for Industrial Electrician for our Ear Falls Sawmill in Ontario.

Reporting to the Maintenance Supervisor, you will perform all maintenance and repair of equipment.

RESPONSIBILITIES

- Perform daily checks (continuity, current, voltage and resistance) and diagnostics on equipment.
- Repair, install and test the equipment. (Transformers, regulators, motors, generators, electrical control system)
- Design control panels and install circuit power distribution.
- Interpret the requirements of the electrical code and ensure compliance.
- Responding to emergencies during the breakdown.
- PLC programming (A.P.I.)
- Other related tasks

SKILLS PROFILE

- Efficient and organized.
- Demonstrate collaborative spirit and initiative.
- Analytical, conscientious and flexible.
- Results-oriented, in compliance with safety standards.

REQUIREMENTS

- Have a College degree in Instrumentation/Control or a degree of professional studies recognized for certified Electrician.
- At least two years of experience in an industrial environment, preferably in a timber complex.
- Have a "C" license as an electrician; qualified certification.
- Know the Omron PLCs would be an asset.
- Familiarity with Occupational Health and Safety legislation.
- Must be fluent in both written and spoken English.
- Sawmill and/or planer experience will be considered an asset.
- Be available to work on shifts day, evening or night.

If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require. Any information you send us will be handled respectfully and in complete confidence.

EACOM is an employer that respects equal opportunities in employment.

The masculine gender is only for abbreviation.
