The Company is committed to investing in strong assets, including healthy forests, advanced technology and talented people.

2 Year Contract Position – potential for full time

EACOM is looking for a Management Forester to assist in the delivery of the forest management program for the Northshore Sustainable Forest License.

Reporting to the General Manager, Northshore Forest, you will be accountable for the forest management planning, implementation and monitoring of all forestry activities on the Northshore Forest. You will be part of the team accountable for the development of the Forest Management Plan, Annual Work Schedules, and Annual Reports consistent with Ontario's Forest Management planning requirements. The position can be based either out of our office in Nairn Centre or Thessalon, Ontario.

RESPONSIBILITIES:

- Develop the 2020 Forest Management Plan
- Develop Annual Work Schedules and Annual Reports consistent with the approved Forest Management Plan and Forest Management Planning Requirements.
- Ensure all operations are consistent with FSC certification standards for the Northshore Forest.
- Assist Overlapping Licencees and Contractors during the implementation of planned operations.
- Liaise with the Overlapping Licencees, Shareholders, Aboriginal Communities, Ministry of Natural Resources and Forestry, and stakeholders.

SKILLS PROFILE:

- Demonstrate a willingness to learn, a positive attitude and able to produce positive results;
- Have leadership skills, be motivated to produce high-quality deliverable products, and be flexible and adaptable to a variety of work environments;
- Have the ability to work independently with minimal supervision and in a team environment;

REQUIREMENTS:

- Have a recognized University Degree and a Ontario Registered Professional Forester designation (or ability to obtain within 1 year);
- Possess 3+ years related forestry experience (forest management experience in the Great Lakes-St. Lawrence Region would be considered an asset);
- Have a valid Ontario "G" class Drivers Licence, or equivalent;
- Be experienced in the use of Microsoft Office, ArcGIS, Forest Management Modelling Tools, GPS technology and electronic data collection tools.

If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require. Any information you send us will be handled respectfully and in complete confidence.
