

**Job Posting:
General Manager, Eniyud Community Forest**

Eniyud Community Forest (ECF), a unique partnership of the Alexis Creek First Nation and the community of Tatla Lake, is seeking a general manager on a contract basis. The tenure area is located in the West Chilcotin around the communities of Redstone and Tatla Lake. The new manager will lead us in a vision of forestry management that brings two communities together in sustainable forestry and community benefit.

Qualifications, Knowledge and Experience:

- Registered or eligible for registration as an RPF or RFT or RPBio
- Minimum of 5 years working in BC forest management
- Well rounded experience including contractor negotiations, timber sales, silviculture, planning, budgeting
- Demonstrated ability to manage all aspects of a forest industry business with minimal supervision
- Excellent written and verbal communication skills
- Knowledge and understanding of the ECF community and it's priorities
- High level of computer skills
- In good physical condition with a valid BC drivers license (Class 5 minimum)
- Willing to live in or relocate to the vicinity of Williams Lake or the West Chilcotin

Responsibilities:

- Preparing and managing the annual work plan, business plan, and budget
- Negotiating and preparing contracts for Board approval for all contracted services such as forest management consultants, road construction, forest harvesting, silviculture and administrative services
- Supervising all contractors working for the organization and efficiently coordinating the day-to-day operations and activities of the organization
- Serve as the link between the operations of the ECF and the Board
- Responsibility for planning and inventory to ensure ongoing sustainability of the forestry operation and the forest resource
- Ensuring that operations are in compliance with management objectives and strategies, public consultation requirements and timber supply objectives
- Assure compliance with established standards for all forestry operations and maintain a high level of forest stewardship
- Pursue projects that foster community benefit and employment while providing resource enhancement potential

To apply interested persons should send resume/CV to Peter Shaughnessy at tatlayoko@gmail.com.
Deadline for applications is January 21, 2019
