

**Foothills Forest Products** is a value added company specializing in dimensional lumber and pellets located in the front ranges of the Canadian Rocky Mountains in Grande Cache, Alberta. Foothills Forest Products maintains an SFI certification with an annual harvest of 450,000 m<sup>3</sup>.

## 2018 Summer Student Positions

We are seeking **FOUR** highly motivated summer students to assist with our annual forestry programs. These positions will run from early May to the end of August 2018, with the possibility of extension. Under the supervision of Forest Professionals, the selected candidates will gain hands on experience in all fields of forestry.

As summer staff, your responsibilities would include, but are not limited to:

<i>Silviculture</i>	<i>Planning &amp; Operations</i>
Tree Plant Supervision	Harvest and Road Design Layout
Survival, Establishment, & Performance Surveys	Reconnaissance (wood quality & volume)
Mountain Pine Beetle Traps	Harvest Block, Scaling, & Log Quality Inspections
Weed Control Program	GPS Data Collection
Road Patrol	Road & Bridge Maintenance & Inspections

The ideal candidate will possess the following qualifications:

- Enrolled in a Forestry related post-secondary program
- Enjoy working outdoors with a strong willingness to learn
- Possess a valid Class 5 drivers license and first aid certificate
- Familiarity with ArcMap, MS Word/Excel
- Prior Forestry related experience and operation of off-road vehicles (ATV) is considered an asset

Foothills Forest Products is offering a competitive salary and **accommodations** to the successful candidates. If interested, please apply with your resume, cover letter and references by **October 27, 2017**. Please indicate which department (silviculture or operations) you favor.

All applications can be emailed in confidence to:

Graham Duckers, RPF  
 gduckers@foothillsforestproducts.com

We thank all applicants in advance, however only candidates chosen for an interview will be contacted.
