

General Manager – Coastal Sawmill

A value added sawmill located in the beautiful Fraser Valley has an opportunity for an accomplished General Manager.

Processing coastal British Columbia's finest timber, the mill produces the highest-quality vertical-grain and specialty products in Western Red Cedar, Yellow Cedar, Douglas Fir, Sitka Spruce and Hemlock for domestic and world markets. Precision milling capabilities and competent sawmilling specialists allow the processing of highly specialized and detailed orders. Full details on the mill including equipment list are available upon request.

Candidates should have noted competence in sawmilling of coastal species and exceptional management leadership with a hands-on detail oriented style.

The remuneration package reflects this important leadership role.

Interested persons should forward resumes or for further information, please contact:
