

## Chief Executive Officer

A medium sized forest products company based in Western Canada has an opportunity for an accomplished CEO. This progressive multiple mill company produces commodity and specialty wood products for North American and offshore markets.

While interested persons should have a successful career encompassing woodlands, sawmilling and value-added specialty wood products, the primary selection focus will be on corporate / financial management and strategic planning abilities.

The remuneration structure reflects this important opportunity.

Interested persons should forward resumes or for further information, please contact:
