

Senior, Intermediate and Junior Forest Engineers

HAF Forest Services Inc. is a professional and dynamic resource consulting company, delivering integrated forest management and development services to clients throughout northern Vancouver Island. We specialize in multi-phase forestry services covering the full scope of forest management, including timber reconnaissance and inventory, road location and design, timber development, silviculture site plans, and operational mapping.

We have immediate openings for senior, intermediate and junior forest engineers. All positions are permanent and full-time. These positions require office work as well as physically demanding fieldwork in Holberg, BC. The candidate has the option to be based anywhere on Vancouver Island with shift work based in Holberg. Flexible scheduling and holiday time available.

Qualifications:

- Senior Engineer: Minimum 5 years of experience in coastal forest engineering and crew supervision
- Intermediate Engineer: Minimum 2 years of experience in coastal forest engineering
- Junior Technician: Willing to train the right individual
- Additional Requirements:
- Post-secondary education in forestry or have significant experience in this field (waived for Junior position)
- Be a team player with a strong commitment to safe work procedures
- Have excellent communication and problem solving skills and be able to adapt to quickly changing work plans
- Must be physically fit and willing to work in variable weather conditions
- Good written and verbal communication skills
- Experience with RoadEng, GPS/GIS technology, Arcmap, and MS Office an asset

At HAF we reward hard working employees with industry standard wages commensurate with experience. We have experienced staff that are eager to train ambitious junior and intermediate engineers.

If you are a senior engineer who is not being adequately compensated or is looking for a more flexible schedule, if you are an intermediate engineer looking to fast track your career by further developing your engineering skill set, or you're a hard working individual looking for an exciting career change, please apply in confidence by emailing your cover letter and resume with references to:

employment@haf-fs.com

Applications will be accepted until positions have been filled. We thank all applicants for their interest; however, only those selected for an interview will be contacted.
