

AS ONE OF BRITISH COLUMBIA'S ESTABLISHED AND DIVERSIFIED FOREST MANAGEMENT CONSULTANT COMPANIES, INFINITY-PACIFIC STEWARDSHIP GROUP (IPSG) OFFERS A WIDE RANGE OF PROFESSIONAL SERVICES TO THE NATURAL RESOURCE SECTOR. WHILE THE CORE OF OUR BUSINESS IS PROVIDING MULTI-PHASE OPERATIONAL DEVELOPMENT SERVICES TO THE FORESTRY SECTOR, IPSG CONTINUOUSLY PURSUES AND COMPLETES A WIDE ARRAY OF PROJECTS ACROSS BC FOR GOVERNMENT, INDUSTRY, PRIVATE LANDS AND FIRST NATION CLIENTS.

South Okanagan / West Kootenay Operations

Infinity-Pacific is seeking a positive and self-motivated individual to join our interior leadership team of Forest Professionals working throughout the Thompson Okanagan and West Kootenays. This position would suit an applicant with previous experience in the resource sector looking to take the next step in their forestry career. Our office is based in sunny Oliver BC, but due to our extensive geographic working area, we will entertain flexibility on living location and/or working remotely for the right candidate. If you're looking for a change and a great lifestyle opportunity, this role may be for you!

A relocation allowance will be considered for the right candidate

INTERIOR LEAD ENGINEER / PROJECT MANAGER

The Role:

- Working directly with the Southern Interior Manager to ensure the success of our organizations interior business lines
- Providing inspired leadership to the field teams, including scheduling, training, project coordination and quality management
- Working with IPSG's team to ensure timely, consistent and quality product delivery, both field and office
- Managing project budgets and timelines with mindfulness of continuous improvement
- Engagement with clients, including government officials, first nation leadership, fiber supply mill managers, private land owners, community forest board members, woodlot owners, harvesting and road building contractors
- Working with the HR department to ensure all safety and regulatory documents are completed and filed as necessary
- Ensuring familiarity with applicable legislation, SOPs and guidelines
- Identifying and addressing problems and opportunities for the company
- Supporting employee communication and promoting company culture that encourages top performance and high morale

Qualifications and Requirements:

Ideally, the successful applicant is registered, or eligible for registration, with the ABCFP as an RFT or TFT. This person should have excellent communication skills, enjoy leading by example and have the ability to build consensus and relationships among managers, clients and employees. Preference will be given to those with prior experience in management operations and leadership. Experience with software applications such as RoadEng, ArcGIS, ECAS, CENGEA, Phoenix, Lidar is an asset.

This position has a flexible field/office work balance. Travel and out of town work will be dependent on where the applicant resides.

IPSG IS A POSITIVE TEAM OF LIKE-MINDED INDIVIDUALS WHO PRIDE THEMSELVES ON THEIR REPUTATION FOR EXCELLENCE AND PROVIDING QUALITY & EXPERTISE. IPSG OFFERS A COMPETITIVE COMPENSATION PACKAGE INCLUSIVE OF ANNUAL PROFIT SHARING, AN EXTENDED HEALTH AND BENEFITS PLAN AND PROFESSIONAL DUES. WE COMMIT TO CULTIVATING AND FINANCIALLY SUPPORTING PROFESSIONAL DEVELOPMENT AND MAINTAINING A HEALTHY WORK/LIFE BALANCE.

To apply, send your resume and cover letter via email with "**Interior Lead Engineer /Project Manager**" in the email subject line, addressed to Human Resources at: hr@infinity-pacific.com. Thank you!
