

Excellence grows here.

Job Opportunity: Development Planner, Campbell River, BC

Who We Are

Interfor is a growth-oriented lumber company with operations in Canada and the United States. We have an annual production capacity of 3 billion board feet and offer one of the most diverse lines of lumber products to customers around the world.

What We Offer

Interfor is where excellence meets opportunity. We invest in your success by positioning you alongside the best people in top quartile mill facilities located in great communities across North America. In the past decade, we've infused close to \$1 billion into modern facilities and systems that employ the latest technologies.

Interfor is one of the largest lumber companies in the world and we're growing in exciting directions. Come be a part of our success.

We are currently recruiting for a **Development Planner for our Coastal Woodlands Division in Campbell River, BC**. The Development Planner will be primarily focused on preparing and/or reviewing high quality road and harvest prework packages that meet all regulations and internal requirements. This is a growth oriented position which will include review of assessments, plans and preparation of government applications.

What You'll Do

- Integral position within Interfor's Environmental Management System (EMS).
- Prepare and manage harvest and road prework packages.
- Assist with delivery and sign-off of preworks.
- Participate in EMS Audits.
- Participate in internal task groups.
- Prepare road permits, cutting permits and land act tenures
- File and data management
- Prepare documents to be of high, industry leading quality
- Active role within the Planning Group
- Approximately 90% office with occasional travel to remote field locations.

What You Offer

- Degree or diploma in Forestry
- Accreditation with the ABCFP
- Aptitude in Microsoft, Road Eng, ForestOps, ArcMap/TFM and evolving computer applications.
- Operational experience within the coast forest industry.
- Interest in career development and growth.
