

As one of Northern BC's largest Integrated Forest Management Companies, KDL Group offers an impressive array of opportunities. We are a fast-paced, growing Company looking for talented people to join our team. The woodlands division of the KDL Group manages a range of forest licenses within the Fort St. James and Mackenzie Forest Districts and has immediate openings for:

Forest Technicians, Field Foresters, and FITs

The qualified candidates will be responsible for forest development including block and road development, block reconnaissance, riparian classification, eco classification, and cruising.

The successful applicants will have experience in forestry development work and preference will be given to those applicants that are eligible for registration with the ABCFP. The applicants must be physically fit to endure the rigors of full time field work and hold a valid BC driver's license.

This is a year-round, full-time, salaried position. We offer excellent extended health and group benefits, and a pension plan. We encourage work-life integration and offer personal time off to help obtain balance.

Fort St. James BC is located in the Interior of British Columbia, close to Prince George. Known for its grand lake, historical site, and ski area, Fort St. James has a bounty of additional outdoor activities available to its residents and visitors. These additional activities include an abundance of hiking, biking, skiing, running, atv, snowmobile, and horseback riding trails. All season fishing and climbing opportunities are available at the many local lakes, streams, rivers, and mountains. For more information please check out <http://www.fortstjames.ca>.

Mackenzie BC is a friendly community nestled within the Rocky Mountain Trench at the southern end of Williston Lake. It is located less than 200 km north of Prince George. There are a variety of outdoor recreational opportunities within Mackenzie such as snowmobiling, cross-country skiing, downhill skiing, skating, snowshoeing and ice fishing in the winter. Warmer, summer months offer great hiking, birding, mountain biking, camping, boating and fishing. For more information please check out <http://www.district.mackenzie.bc.ca>

Application deadline is May 10, 2017

Apply today by sending your resume to admin@kdlgroup.net subject: Forestry. We thank all candidates who apply; however, only those selected for an interview will be contacted.
