## Project Forester

Kim Forest Management Ltd. (KFM) is a forest consulting company with a focus on sustainable forest development. We are dedicated to providing comprehensive management and solutions for our public, private and First Nations partners. We believe in balanced stewardship and take care to account for economic, community, cultural, recreational, and conservation values.

We are seeking an experienced **Project Forester** to join our **Prince George** team. Our Project Foresters plan, organize and coordinate a range of projects and activities utilizing a high level of autonomy over project management and client communications. As such, candidates need to be flexible in building new skills and exploring diverse opportunities.

As a Project Forester, you may provide:

- Ongoing tenure administration and operational plan development;
- Client and subcontractor liaison and correspondence;
- Professional forestry advice and direction;
- Project work plan development, budgeting, and resourcing and;
- Timber development coordination from reconnaissance to cutting permit and road permit application.

KFM offers a flexible, intellectually stimulating work environment. We promote a healthy work/life balance and flexible work schedules. Our company is small enough to know every individual by name and yet big enough to carry out large-scale projects through to completion. We encourage our employees to continually improve job satisfaction by seeking opportunities to expand business in areas they're passionate about and explore synergies with our sister company, **Madrone Environmental Services Ltd.**

At minimum, applicants will hold a bachelor's degree in forestry. Preference will be given to candidates with at least 2 years related experience and Registered Professional Forester (RPF) designation.

If you are a motivated professional seeking a unique and rewarding career opportunity, KFM encourages your application. Please submit resume and cover letter to [info@kfm.ca](mailto:info@kfm.ca). To find out more about KFM, please visit our website ([www.kfm.ca](http://www.kfm.ca)).
