

Summer Junior Forester / Engineer

Meridian Forest Services Limited is a professional consulting firm that specializes in forest management. We are based on Vancouver Island, British Columbia with office locations in Coombs, and Port Alberni. We are committed to providing safe, quality, efficient, and professional forestry services for both private and crown sectors of British Columbia's forest industry.

We are currently looking for a **Junior Forester / Engineer** to join our team for the summer of 2018. The successful candidate must be a team player who is focused on personal safety, quality, and achieving productivity targets. The Junior Forester / Engineer will have a diverse role including, assisting the supervisor with silviculture surveys, harvest inspections, field ecology, and engineering activities.

All applicants must be able to demonstrate the following:

- A valid BC driver's license
- Ability to work independently and as part of a team
- Enrollment in a Forestry related program or 1 or more season field experience will be considered an asset.
- Computer and iPad proficiency.
- Strong verbal and communication skills.
- Valid Level 1 First Aid Ticket and Transportation Endorsement.
- Physically fit and enjoys working outdoors.

Interested applicants should submit a cover letter and resume in confidence to info@meridianforest.ca.

Only those applicants selected for an interview will be contacted. We wish to thank you for expressing an interest in our company.
