

Integrated Resource Management Inc.
510 9th Street, Kenora, ON. 467-3351

Planning and Silviculture Forester

Miisun Integrated Resource Management Inc. is an established Forest Management Company based in Kenora, Ontario and is directly responsible for management of the Kenora Forest SFL held by Miiitigoog.

Duties:

Reporting to the General Manager, this position will play an integral role in forest management planning and renewal activities. Other roles include, but are not limited to following:

- Forest Management Planning
- Develop Annual Work Schedules, Annual Reports etc. consistent with the approved Forest Management Plan and Forest Management Planning Requirements.
- Monitor all renewal activities
- Liaising with government agencies, First Nations, members of the public, other licensees and stakeholders
- Harvest Operations and road supervision

Qualifications:

- Must be self motivated with strong organizational and communication skills and can work independently and within our team framework.
- Strong background in harvesting, road construction and renewal activities.
- A valid Ontario drivers licence
- Certified compliance inspector or willing to obtain.
- Registered Professional Forester (R.P.F.) designation
- Strong background in Forest Management Planning / plan author experience.
- Experienced in the use of Microsoft Office and ArcGIS
- Strong commitment in safety and environmental values and results.

In addition to the challenge and opportunity associated with the position, Miisun offers a competitive salary, vehicle allowance and benefits package. Applicants interested in working for a progressive, team-oriented company should send their resume in confidence to:

Mail: Miisun Integrated Resource Management Inc. 510 9th Street North, Kenora, Ontario, P9N 2S8
E-mail. shannon.rawn@miisun.ca

We would like to thank all applicants for their interest, however, only those candidates selected for interviews will be contacted.
