

# Grow with us.

Millar Western is a progressive forest company offering diverse, rewarding careers in great Alberta communities, with excellent advancement opportunities and a healthy work-life balance.

## Sawmill Supervisor

Millar Western's Whitecourt Wood Products Division is seeking a Sawmill Shift Supervisor. Reporting to the Sawmill Superintendent, the successful candidate will be responsible for all aspects of sawmill shift operations, including safety, production, quality and cost. He/she will be accountable for optimizing operational performance by establishing productive working relationships with other departments and helping to develop skill levels within the sawmill team. This position will follow the Production Shift schedule.

### The ideal candidate

Qualified applicants will have previous sawmill and/or lumber manufacturing experience, complemented by demonstrated leadership abilities and experience with SAP and/or other computerized maintenance systems. They will possess excellent analytical, troubleshooting, interpersonal, communications and computer skills. Planer mill experience considered an asset.

### Why work for us?
