

**THE NAWIINGINOKIIMA FOREST MANAGEMENT
CORPORATION (NFM) IS HIRING**

For more information and to apply to the positions below, please visit the **careers section** of the NFM's website at: nfmforestry.ca. Applications for all positions will be accepted until **January 31, 2019**.

PLANNING FORESTER

If you are a Registered Professional Forester with the Ontario Professional Foresters Association (or can become accredited) and have experience with the planning and delivery of Forest Management Plans and all associated planning activities, then you may be interested in this exciting permanent position. Responsibilities of the NFM's Planning Forester will include the development, planning, and implementation of Forest Management Plans and associated annual programs. Providing support in the planning and implementation of the NFM's silviculture, certification, or other management programs will also be required.

FORESTRY OPERATIONS TECHNICAL SPECIALIST

If you are a Forest Technician or new graduate interested in operational forest management, working in the great outdoors of north central Ontario, this may be an opportunity for you. As the Forest Operations Technical Specialist, you will be responsible for the administration of the compliance program, inspecting infrastructure (roads/bridges/culverts), monitoring field operations, and enforcing health and safety and environmental management systems. Assisting in monitoring the progress of harvesting and silviculture operations to ensure compliance with approved plans and budgets will also be required.

PUBLIC RELATIONS AND MARKETING COORDINATOR

If you are an outgoing individual, with excellent communications skills, have experience working with local communities and have an understanding of Indigenous cultures, this may be an opportunity for you. As the Public Relations and Marketing Coordinator, you will be responsible for planning and implementing all marketing and promotional aspects of the corporation. Also required will be the development of strategies and policies that will assist with building stakeholder relations, promoting NFM initiatives such as the corporation's scholarships, strategic initiatives, and sponsorship programs, provide educational opportunities to local students, and planning and attending open houses, trade shows, and career fairs.
