

## General Manager

Nootka Sound Timber (NST) is currently seeking a team oriented and organized individual to fill the role of General Manager. The General Manager will be responsible to oversee the long term planning, engineering, roadbuilding and harvesting of a West Coast Forest License with an AAC of 303,000m<sup>3</sup>. The General Manager will interact with all aspects of the NST Team from planning, engineering, harvesting and sales to develop an annual logging business plan. The full scope of the position will be tailored to the experience and qualifications of the candidate.

### QUALIFICATIONS:

- Strong leadership skills in safety, environmental stewardship, quality assurance and productivity targets.
- Minimum of 15 years experience in the coastal forest industry.
- Self motivated individual possessing excellent communication and relationship skills to lead a team in a results oriented environment.
- Have a solid knowledge base of applicable BC legislation and policies.
- Have a full understanding of the USW Master Agreement and how to operate within it.
- Registered with the ABCFP while not essential but is an asset.

NST is a privately owned, fully integrated coastal forestry and logging company with operations in the Nootka Sound area. We are committed to the safety of our employees and the production of consistently high quality log products to our global customer base.

NST offers a competitive salary and benefits package. If you are interested in joining our team, please submit your resume and references to [dmartin@nootkasoundtimber.com](mailto:dmartin@nootkasoundtimber.com) by June 15, 2018.

We thank all candidates for their interest; however only those selected for an interview will be contacted.
