

## EXCELLENT PEOPLE MAKE EXCELLENT BUSINESS

Norbord is the leading global OSB manufacturer. Our success comes from hiring skilled and talented team members in all areas of our business. We are dedicated to developing and retaining a strong and committed workforce that ensures we remain at the forefront of manufacturing excellence. At Norbord we are committed to teamwork and safety without compromise. We are currently seeking an exceptional individual for the following position:

### ASSISTANT FORESTER – 100 MILE HOUSE, BC

Reporting to the Procurement Superintendent, the Assistant Forester will provide support to Norbord's 100 Mile House Woodlands staff for the delivery of all phases of our woodlands management program. Duties may include assistance with forest planning, information system implementation, timber development, wood procurement, harvesting supervision and silviculture operations. This is an entry level position within our Woodlands Team which, for the right candidate, will provide the development and experience required to advance within Norbord's Western Woodlands group and deliver on the fibre objectives for the 100 Mile OSB mill.

As the ideal candidate you will demonstrate a deep commitment to safety and possess excellent interpersonal, communication, analytical, organizational and computer skills. Individuals must be strong self starters and previous Woodlands experience will be considered an asset. Individuals must be graduates of a recognized technical/degree forestry program and available for relocation and full time employment.

Please submit your letter of application and resume, in confidence to:
