Forest Technician

Location: Quesnel, BC

Job description and duties:

Nortech Forestry Ltd is a well-established, stable company located in Quesnel BC, that has been providing professional, high-quality forest consulting services to major licensees, government agencies and private land-holders continuously since 1987. We are currently seeking applicants to fill full-time positions for year-round work in the Quesnel area.

As a member of the Nortech team you will be involved in the planning and completion of various multi-phase projects including reconnaissance, block and road planning and layout, riparian and damage assessments and surveys, SP data collection, quality control and other related tasks, along with the associated mapping, office work and reports. Work is based from town, five days per week with no camp work.

Qualifications / Assets:

- A post-secondary education with a tech diploma or degree in forestry and registration or eligibility for registration with the ABCFP is preferred
- Must be an efficient and self-motivated team player with strong organizational, communication and computer skills
- Have experience in related work, several field seasons would be an asset
- Possess good basic field skills and be comfortable working safely in remote access areas
- Have good problem-solving skills and an ability to change and adapt work plans as situations require
- Have solid map reading skills and the ability to accurately and legibly map out features and details encountered in the field
- Must be physically fit and able to fully and safely perform duties in sometimes challenging weather and terrain conditions
- Experience with pertinent field/office equipment and related software (GPS, mapping applications, Microsoft Office etc.)
- Must possess a valid BCDL

Please email in confidence a cover letter and detailed resume, in PDF format and with references, to: jobs@nortechforestry.com.

We thank all candidates for their interest, however only those selected for an interview will be contacted.
