

PRO-TECH

FOREST RESOURCES LTD.

Timber Cruiser / Forest Technician

Pro-Tech Forest Resources Ltd. is a leading natural resource consulting firm. For more than 30 years Pro-Tech has been delivering full-phase forest management services throughout British Columbia. Our company is a fully integrated forest development firm specializing in Resource Management Planning, Operational Development, Forest Health, Silviculture, and GIS services.

Pro-Tech has immediate employment opportunities for Timber Cruisers and Timber Cruiser Assistants in the Bulkley Valley. These are full time long-term employment opportunities to work within our timber development team. Experience cruising timber to the Provincial Timber Cruising Manual standards is necessary. ABCFP cruiser accreditation is definitely an asset but not required.

Experience with the following is also an asset:

- Block and Road Layout
- Riparian Classification
- Road Traversing
- GPS Technology
- Silviculture Surveys
- Site Plan Soils and Ecological Data Collection
- Office skills with experience in Forestry related software

Only those applicants selected for an interview will be contacted. Email or fax a cover letter and resume to:
