your  
future

The Saskatchewan Ministry of Environment has an exciting management opportunity in the Forest Service Branch located in Prince Albert. As Manager of the Planning, Policy and Protection Unit you will support the sustainable growth of Saskatchewan's forest sector by leading the development of forest policy, the implementation of forest management plans and the protection of our forests from insects and disease. You will ensure that forest policy, planning and protection programs support the Ministry's shift to a more results-based, service-oriented, regulatory approach to attaining desired forest management outcomes. We are committed to high citizen and client satisfaction through workplace excellence, continuous improvement and innovation.

Closing Date: April 29, 2018
