

A step in the right direction!

We have an exciting opportunity for Forestry Professionals in our East and West Operating Regions of **Central BC**

About Us

Sinclar Group Forest Products Ltd. is an integrated wood products manufacturing company with operations throughout north-central British Columbia. Since 1962 the dedicated team at Sinclar Group has been building strong and stable businesses by encouraging leadership and innovation in our workforce, upholding the family values that framed our beginnings, and respecting the needs of the communities in which we all live and work.

Working with integrity is fundamental to the Sinclar Group of Companies. The health and safety of our employees, our commitment to responsible environmental stewardship, ethical dealings with our business partners, and contributing to the economic and social fabric of the communities in which we operate define the essence of who we are.

While our focus is meeting the needs of our customers, our success is driven by our people.

The Opportunities → Area Foresters (2)

These are excellent opportunities for forestry professionals seeking to grow their careers in the forest and wood manufacturing industry.

The **Area Foresters** will be part of the larger Sinclar Group Woodlands team and will have various responsibilities in the East or West operating areas, including safety, First Nation relations, Community relations, operational planning, contractor management, and financial controls. The Woodlands team includes Lakeland Mills in Prince George, Apollo Forest Products in Fort St. James and Nechako Lumber in Vanderhoof.

These positions will appeal to Foresters wanting to expand their careers by working in multiple disciplines within the forestry field. With demonstrated professionalism and a steadfast commitment to safety as a priority, successful candidates will be detail oriented and possess excellent communication and organizational skills.

Ideally, candidates will be Registered Professional Foresters (RPF) or Registered Forest Technologists (RFT) and will be members of (or eligible for registration) the Association of BC Forest Professionals (ABCFP). Preference will be given to those with a well-rounded forestry background with field operational experience; however consideration will also be given to those with a keen appetite for career development, personal growth and achievement.

Join Our Team!

If you are interested in joining an organization that is committed to sustainable growth and innovation while supporting healthy and vibrant communities, please forward your resume to: hr@sinclar.com with the subject line "**Area Forester**".

Applications will be accepted until the position is filled. The initial review of applications will begin immediately.

We thank all applicants for their interest however, only those selected for further consideration will be contacted.

Communities
