

A step in the right direction!

We have exciting opportunities for two **Area Foresters** with the **Sinclar Group**!

Share in our growth and success.

Sinclar Group Forest Products Ltd. is an integrated wood products manufacturing company with operations in north-central British Columbia. Since 1962 the dedicated team at Sinclar Group has been building strong and stable businesses by encouraging leadership and innovation in our workforce, upholding the family values that framed our beginnings, and respecting the needs of the communities in which we all live and work.

While our focus is meeting the needs of our customers, our success is driven by our people. We are currently looking to add additional strength to our team.

Area Forester(s)

Vanderhoof, BC / Fort St. James, BC

Reporting to the Sinclar Operations Forester, West, the **Area Forester** will be part of the larger Sinclar Group Woodlands team, and maintain a focus on the operations in the Vanderhoof and Fort St James area. The Woodlands team includes Lakeland Mills in Prince George, Apollo Forest Products in Fort St. James and L&M Lumber in Vanderhoof.

These positions are flexible in order to provide opportunity for the successful candidate to be involved in many aspects of the business. The successful candidates are expected to reside in either Vanderhoof or Fort St. James.

The ideal **Area Forester** will be a Registered Professional Forester or Registered Forest Technologist or be eligible for registration. They will have a well-rounded forestry background with field operational experience and have the competency to confidently fulfill the following responsibilities:

- Meet quality, safety, and environmental standards.
- Management of cutting and road permit development from layout to timber appraisals and permit application submissions.
- Help evaluate timber for purchase
- Assist the Planning Foresters in cutting permit planning and timber reconnaissance activities
- Assist the Operations Forester with Contractor management, administration and scheduling of all phases related to harvest and hauling operations including road and bridge construction, road maintenance, and post-harvest commitments
- Develop and coordinate post-harvest plans and activities, such as piling and deactivation
- Assist the Sinclar Silviculture Forester in contractor supervision and silviculture activities
- Coordinate and supervise forest road crossing projects and perform regular inspections and maintenance supervision
- Assist in developing harvesting plans and associated budgets and cost controls

If you are interested in joining an organization that is committed to sustainable growth and innovation while supporting healthy and vibrant communities, please forward your résumé along with proof of education, in confidence, to: hr@sinclar.com with **Area Forester** in the subject line.

Applications will be accepted until **4:00 pm, Monday, July 31, 2017** however, initial review of applications will begin immediately.

We thank all candidates for their interest but only those shortlisted will be contacted.
