

## Silviculture Technician- Crewleader

starting early May, seasonal position with full time potential

Spectrum Resource Group is the vegetation management solutions provider of choice in Western Canada. What distinguishes Spectrum from its competitors is its diverse and highly experienced workforce of professionals using an integrated approach from across disciplines to deal with vegetation and resource management issues.

We are currently looking for self-motivated individuals, who will embrace the opportunity to succeed personally and professionally on our Forest Technician crew. Operations will be based out of Chetwynd BC and encompasses working throughout Northern BC. Although the position is seasonal, there is a possibility for year round employment for interested employees.

### Description & Duties:

- Silviculture surveys
- Data collection and Management- crew GPS's, data sync, photo's and payroll reporting
- Crew mentorship and training, including daily management of crew activities
- Layout for herbicide applications
- Planting and brushing quality
- Vegetation management contract implementation
- Detailed site assessments
- Shift work, typically 10-on-4-off, dependent upon location and contract logistics.
- Safety- leading daily tailgate meetings, Incident/ Near Miss reporting

### Preferred Characteristics:

- Safety conscious
- Demonstrated ability to manage and lead people
- You enjoy the beauty of the outdoors and take pride in being a key part of the management of our forests
- Excellent verbal and written communication skills
- Physically fit, strong organizational and problem solving skills
- Ability to work in a fast paced, multi-tasked environment
- Ability to travel when necessary and work extended hours when necessary
- Computer/ Ipad proficiency

### Preferred Prerequisites:

*(Certifications may be obtained through employment)*

- Forest Tech/ Natural Resource Diploma
- 3 or more seasons experience in related or similar work
- Accreditation as a Silviculture Surveyor
- Valid full Driver's License and clean Driver's Abstract. You will be operating 4WD trucks and ATV's; training specific to resource road driving will be provided at the beginning of the season
- BC Forestry Pesticide Applicator's Certificate
- Valid Level 1 First Aid Ticket and Transportation Endorsement

### Salary:

- Wage's commensurate on prerequisites (above) and experience
- Consideration made for living in a location away from home base

So, if you are safety conscious, competent, and ready to apply your knowledge and learn something new along the way, please apply through our website [http://www.srgi.ca/careers\\_app.php](http://www.srgi.ca/careers_app.php)
