Junior Environmental Technician Opportunity

Our Story

Strategic Natural Resource Consultants is one of the most highly regarded natural resource consulting firms on the West Coast. Strategic adopts an innovative and resourceful model of problem solving that can be seen in our technical expertise, project management and planning. This belief in resourceful thinking carries into our implementation as well. We employ dynamic on-the-ground professionals across BC. Our personnel are industry leaders in resource and land management, professional forestry, construction support services, environmental science, geomatics, and remote site project development.

We are seeking a Junior ENV Technician to join our Environmental team. They will play a key role within our existing team of professionals. The successful applicant is a hard working person with a passion for working outdoors and living in a camp-based setting.

Qualifications:

- » Member or eligible member of the College of Applied Biology required.
- » Diploma or degree in a related field (e.g. biology, environmental science, or natural resource management).
- » A valid Class 5 Driver's license and off road driving experience.
- » Excellent report writing experience and communication abilities.
- » Ability to work odd hours and long days, often in remote locations, and maintain a positive attitude.

Preference will be given to applicants with the following qualifications:

- » Previous consulting experience, with preference given to those with >2 years consulting experience.
- » Relevant work experience in the areas of watercourse assessments; aquatic, marine, or terrestrial habitat assessments; fish sampling; bird identification skills; and/or environmental monitoring.
- » Valid Electrofishing certificate and Level I First Aid.

We pride ourselves on maintaining a **safe, respectful and fun** work environment that promotes values such as teamwork, partnerships, professional accountability, adaptation and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Your dedication to workplace health & safety and possessing a positive attitude are critical to your role with our team.

We offer competitive compensation, including a comprehensive benefits package for full-time employees.

Applications will be accepted until position is filled.
